Net Weight (kg/lbs)	70/154	97/214

Drum Grab DG series

▲ Fork Mounted Automatically !

- ▲ Easily and quickly lift drums without hydraulic or electric connections. Simply slip onto forks and tighten hand screws. Heavy duty steel construction. Lifts, transports and deposits drums without leaving the driving position. Firm pressure is automatically applied by action of the loaded drum and will be firmly maintained in the same position until being deposited, it is then automatically released.
