

## Drum Lifter DLG series

### DLGV500

- ▲ This Vertical Drum Lifter is designed to attach to a crane or hoist and grab and transport 55 gallon closed head steel drums to other locations.

### DLGH500

- ▲ This product is a professional tool used for lifting, transporting and stowing 33 gallon and 55 gallon steel or polyethylene drums open or closed.
- ▲ It is designed with a 3 point drum contact with stabilizing arm which reduces damage to the drum and automatically engages the drum rim when lowered.

### DLG350

- ▲ This Drum Lifter is a professional tool used for lifting, transporting and stowing 55 gallon closed-head steel drums.
- ▲ It is designed with a safety lock pin that prevents drums from opening when being transported and a lifting eye that is mounted on top of four 1/4 x 1" hot-rolled steel brackets.

### DLGS500

- ▲ This product is a professional tool used for 55 gallon and 85 gallon closed steel drums.
- ▲ It is designed to lift and place a 55 gallon steel drum into an 85 gallon steel or poly salvage/overpack drum.
- ▲ Shipped assembled.
