

Vertical Drum Lifters/Dispensers LM / LG

- ▲ One-person Operation saves time, reduces spilling waste, and improves productivity.
- ▲ Simply attach or hang lifter on hook from an overhead hoist or crane, cinch saddle around drum, and raise to desired height and position.
- ▲ Lift, transport, and pour from open and closed head drum.

LM800N

- ▲ Positive tilt lock on drum saddle to hold drum upright in transit.
- ▲ When released, the operator can manually tilt the drum to control pouring and the drum can be rotated 360° in either direction.
- ▲ Locks also hold drum in horizontal position.

LM800N

LG800

- ▲ Allows remote pouring operations.
- ▲ Geared chain control and low effort feature make this model useable at any height. 10-ft control chain can be locked to secure drum in any position during transit and dispensing.
