

Mini Magnetic-Attraction Weighing Pallet Truck

- ▲ Developed mainly for logistics, factories, warehouses, supermarkets and other scenarios.
- ▲ Main advantages: Cost-effective and durable. Suitable for applications with low-frequency usage and inconvenient charging conditions. Powered by easily replaceable AA batteries, eliminating the hassle of charging.
- ▲ Key features: Weighing, zero-setting, tare, unit switching.
- ▲ Optional accessories: Polymer lithium-ion battery, instrument housing cover.

BF25W-Mini

i-Lift No.		1212401	1212402	1212403	1212404
Model		BF15W-Mini	BF20W-Mini	BF25W-Mini	BF30W-Mini
Rated Capacity		1500(3300)	2000(4400)	2500(5500)	3000(6600)
Lifting Height		195/190(7.7/7.5)			
Fork Length		1150(45.3)			
Overall Fork Width		555/690(21.9/27.2)			
Single Fork Width		165(6.5)			
Lowered Height		85/80(3.3/3.1)			
Driving Wheel Size		Φ180x50(Φ7.1x2)			
Roller Size		Φ80x70(Φ3.1x2.8)			
Weighing Accuracy		0.1%			
Wheel Material		Nylon / Polyurethane Wheel			
Printing Method		/			
Battery Voltage		4 × AA Batteries			
Net Weight		93/96(204.6/211.2)	95/98(209/215.6)	95/98(209/215.6)	97/100(213.4/220)
