

Lightweight Hand Operated Lift Truck

- ▲ This lightweight lift truck delivers simple operation and excellent maneuverability, able to pass through doorways and narrow aisles that large-size machinery cannot access.
- ▲ Rollers fitted on the top of the handle enable the stacker to be laid flat horizontally, facilitating easy loading into vans or pickup trucks.
- ▲ The hand winch crank operates effortlessly and locks reliably to fix the carriage in position.
- ▲ The forks are reversible to deliver two distinct lifting heights.
- ▲ Constructed with lightweight aluminum paired with heavy-duty steel for long service life.
