

Media Roll Lifter PR series

- ▲ Applications: This roll lifter allows single users to maneuver heavy media rolls onto the lifter and then directly onto the printer feeder.
- ▲ Extended nylon safety straps provide leverage to help guide the roll into the trough and ensure materials are secured for transport.
- ▲ Concave trough design of the media tray stabilizes rolls for transport.
- ▲ Foot pump allows for smooth, effortless lifting within minutes.
- ▲ 360° heavy-duty rotating (and locking) casters enable maneuvering through standard doors and narrow passages.
- ▲ Solid steel handle extension provides additional control for the user to maneuver materials in tight spots.
- ▲ 2-year warranty on all wheels, hydraulics and media tray. 5-year warranty on cross bars.
